

SHIPPING

All shipping and freight is FOB Sarasota.

Individual orders will be shipped UPS ground unless otherwise requested. For orders of 1 – 20 units, this has proven to be the most cost effective.

For orders of 25 or more units, freight will be by common carrier such as Wadkins Freight lines or others.

For bulk orders of 25 or more units a pallet charge of \$60 will be added to the total freight charge.

DISCOUNT FOR SHIPPING

Dreamscreens will pay freight costs for orders of 50 or more doors (a double door counts as 2 doors) For 25 door orders, Dreamscreens will pay 50% of the shipping costs. The total order has to be shipped to a single location so that we can get a discount from our carrier. In other words, drop shipments to different locations are not included as part of the total count. Please keep that in mind when ordering.

There are no discounts for motorized screens.
